## **ELECTION RESULTS TO BE ANNOUNCED**

## **JERRY'S JARGON**

Greetings to all Club Members.

Election Time has proved to be a trying experience this year for everyone. Election Results will be announced by Dec 8 to all current members of the SNCCC. It is imperative that our members confirm their email and snail mail address with our Membership Director. Since we had no nominees, the position is vacant. At the present time Wendy Schultz [bandvcoin@earthlink.net](mailto:bandvcoin@earthlink.net) has assumed the duties until someone is appointed.

No matter what the outcome of this election the SNCCC needs volunteers to step forward to help ease our growing pains. There will be a need for committees to be formed to address our Election process, Constitution and Bylaws, Membership and more.

Please make your desire to be a part of the club's growth to the President of the Club.

Our Club is hosting our annual Holiday Party this year at Napoli Pizza on West Sahara and will be providing pizza and soda for all. We will have free raffles and a 50/50 drawing. There will be no business conducted at our holiday party – it's just for fun. Our regular business meetings will resume on January 10 at the El Cortez.

In closing I wish everyone a happy holiday season and hope that aside from our differences we strive to make our Club something special.

Please stay Safe and Healthy

Jerry Vergatos

President
