The *Annual Meeting* of the Southern Nevada Casino Collectors Club will take place on January 10 at 6 pm at the El Cortez Hotel and Casino, Las Vegas. Plans are to address several important issues that need the insight, input and involvement of the membership. If at all possible, please plan to attend.

Help Build a Bigger, Better Club.

JERRY'S JARGON

I hope everyone has had a great holiday season and was able to spend time with family and friends. The materialistic nature of the holidays should not overshadow the need to spend time with loved ones. Gifts can come and go but the memories of holiday get-togethers will last a lifetime.

Now that the election is over our newly elected officers will be taking office on January 10. We will be conducting our annual Business Meeting where the members may ask about how the Club is run, make suggestions, and determine how they might participate. I urge you to attend.

There were many issues that were raised during the election that clearly need to be addressed to avoid such problems in the future. There were some club members who were very vocal in their criticism of how the club's election and operational procedures. That's healthy. The SNCCC is experiencing growing pains and the Board of Directors will be addressing those concerns. This meeting is a chance for your voice to be heard and to participate in the future growth of the Club.

Our Club needs more participation on your part. If you really care, then volunteer. We all have great ideas, but true change needs your involvement. Here is your chance to step up and be a part of our growth.

See you all at the meeting
