JERRY'S JARGON

Hello again and welcome to our April Newsletter. There are many new projects being worked on which you will hear about very soon. These projects will make our Club stronger and more organized. We are progressing ahead of schedule on obtaining dealers for our Fall Show on Sept. 22 & 23, 2023 at the Gold Coast Hotel and Casino. We have a much larger room than last year. This year's show will be bigger and better! I have attached a flyer with the layout of the remaining tables (blacked out spaces are taken) and a contract. A \$50 non-refundable deposit reserves you a table with final payment due Sept. 1. Please contact me at vergatos@msn.com for more details. There are many great spots still available.

I am very excited about a project I will be bringing to fruition starting in July. I have been thinking of how I could preserve some of the History of Las Vegas and the gaming history in general. Our Club members possess a wealth of knowledge and once they are gone so goes the history they know. What I have decided to do is conduct 30-minute recorded interviews with these members concentrating on selected topics. My first interview will be with Carey Burke. He has agreed to do 4 monthly interviews at this home. Ron Gaudette our Club videographer will be our camera man. This project will start in July. These recordings will be archived on our website for viewing by our members and the public.

There has been a concern about not having our speakers and auction on Facebook Live. The reason we made that decision was because we were trying to interface our Live event on our Web page and record it at the same time. We could not do that as our website did not have that capability. We were trying to have a section on the webpage to archive all our Speaker's presentations. At the time it couldn't be done. Since then, we have had the help of a professional who helped us achieve both, offering Facebook Live and recording for our website. Therefore, all our future Speakers and Auctions will be live starting in April.

Until next month, please stay safe and healthy.

Jerry Vergatos

My name is Manuel "Manny" Orama, I'm a Collector of Casino Chips from Cuba and \$2.50 Casino Chips from all over the World. As I remember going back to when I was a kid, I always collected something, pennies, baseball cards, etc. nothing very valuable, just having fun. I left Cuba at age 21 with some other friends in a small boat, 3 days 2 nights at Sea, big experience for me, a Coast Guard pick up us and took us to Key West, then Miami and then my life start all over again. Lived 2 months in Miami and moved to Los Angeles, California, and start working in the lowest paid jobs I could find, I couldn't speak English, and had no money. Visiting California to meet a friend and met my wife of almost 53 Years (May 18) and raise a family of 3 kids, 8 Grandkids and 3 Grate Grandkids. While in California, the itch of collecting something got the best me, I started collecting Cuban Coins, most of my friends visiting Cuba started supplying me with Cuban coins. While looking at ads in Cuban Magazines I noticed an ad selling a Cuban Casino Chip, I was curious so I bought the chip and that was the beginning of Manny Cuba Casino Chip Collection. I met with a chip club member and was introduced to a \$2.50 I fell in love right away with them, As of now I have over 3000 about 3,000 \$2.50 Chips from all over the World, I believe the biggest collection out there, I am known as the King of the \$2.50 Casino Chips Please feel free to contact me at oramacuba@aol.co
